PERSONALITIES

HAROLD MILLER, son of Mrs. C. A. Miller of Waldo street, leaves this afternoon for San Francisco, where he will sail for Honolulu, Hawaii, Saturday. Mr. Miller formerly lived in Honolulu and has resided in this city for the last year. He goes to accept a position in the offices of a large sugar refining firm of the Hawaiian Islands. Later it is the young man's intention to pass a year or more in traveling around the world. While here Mr. Miller was a member of the Men's Club of All Saints' Church, and made many friends. He has considerable literary ability, and while on his travels expects to find much good material for magazine articles. —Pasadena News.

LOCAL AND GENERAL

The King's Daughters will meet tonight with Mrs. H. H. Williams, at 240 King street.

Oceanic Lodge No. 371 will hold a stated meeting in Masonic Temple at 7:30 tonight.

Two beautiful palms in the yard of Henry Ginnac near Pawa were destroyed Saturday evening by some vandal.

In McKinley high school, at 3 o'clock tomorrow afternoon, Dr. Sperry will lecture to the Teachers' Association on "Body and Mind."

The regular monthly meeting of the Woman's Guild of St. Clement's Church will be held tomorrow afternoon at 3 o'clock in the parish house.

The members of the family of the late David Kaniulehua Naone extend their thanks for the kind sympathy and helpfulness of friends during their late bereavement.

A Chinese boy named Lulian Kaong Chan fell from the branch of a mango tree thirty feet to the ground yesterday. He was not seriously hurt and is now in the Queen's hospital.

Secretary Otto A. Bierbach has sent out notice to the Merchants' association to the effect that the regular monthly meeting will be held at its rooms, in the Young hotel building, at 2 o'clock Tuesday, April 29.

Funeral services for Miss Elma Snyder, who was killed last Monday at Wahiawa, were held at 2:30 o'clock this afternoon from Silva's undertaking establishment. The body will be shipped to relatives on the mainland by the Honolulu, which is scheduled to sail tomorrow afternoon.

A meeting of the Y. W. C. A. to which the women of the city are invited will be held at 3 o'clock this afternoon to meet and hear Mrs. Mott, who is a member of the national board of Y. W. C. A. directors. The meeting will be held at the residence of Mrs. Hendricks, corner of Beretania and Miller streets.

While riding in the front seat of rapid transit car No. 19 last evening, J. E. Burgess, 72 years old, met with painful injuries when a horse hitched to a light delivery wagon at the corner of Liliha and School streets shied at something in the street and jumped across the car track. In order to avoid an accident the motorman brought the car to a sudden stop, Burgess being hurled into the street, receiving a cut in the chin and a deep gash over the left eye. Burgess was taken to the Japanese hospital and later removed to the Queen's hospital.

The driver of the delivery wagon escaped injury, but the horse was cut about the legs.

AUTO-SPEEDER NOW A CAPTIVE

A man who risked death to achieve a record in auto speeding while now in Honolulu has thus far eluded the police, despite the vigilance displayed by Chief of Police McDuffie and a squad of officers, who gathered to witness the arrival of the Oceanic liner Sierra this morning.

Rupert Jeffkins, known over three continents as the Australian Speed King is in Honolulu today and will pull off an exhibition before leaving the island.

Jeffkins drove a high powered machine for 497 miles at a pace averaging eighty-two miles per hour, at a recent meet held at Indianapolis.

Jeffkins comes here with a series of motion pictures in which his sensational and dare-devil ride is thrillingly depicted. He is expected to display the wonderful film at the Empire theater.

In the "Man from Maui," the product of a local playwright Jim Post declares that he has a vehicle in which will be worked much local color. The musical comedy is to be featured at the Bijou, beginning this evening. "Ten Nights in a Barroom" is also the suggestion of a playlet that will complete the performance.

Posts Honey Girls are gaining many votes in the stirring contest now on end to terminate with the award of a valuable bracelet. The large audiences at the Bijou on Friday and Saturday nights had the effect of bunching the girls' votes in the contest. Alma Astor has dropped to second place, Marvin Hammond, who won first prize in the contest Friday, lapsing her total by eleven votes, so the score now stands: Marvin Hammond, 1163; Alma Astor, 1152; Trilix Leach, 1071; Jean Belmont, 916; Anita Belmont, 900; Grace Astor, 897; Grace Maxwell, 783; Frances Tallyrand, 758; Myrtle Jaspersen, 698; Pearl Clow, 679.

The Newman company will open with unique vaudeville at Ye Liberty beginning with tonight. In addition to a series of fine films the city has been secured for amateurs who are to be employed in the working out of a series of sketches. Merriment will hold high carnival at Ye Liberty throughout the remainder of the Newman engagement. The success of the engagement of M. H. Newman and his photoplays at Ye Liberty has been such that Manager Adams of the Consolidated Amusement Company has retained him to give another week of his famous picture plays.

AUTO DANGLED OVER PRECIPICE

Mr. and Mrs. Alfred Howe, of this city had a mighty narrow escape from instant death through going over a precipice on the Paia road yesterday afternoon, when, seated in their machine, unguided it plunged over a cliff, carrying with it its two inmates.

The accident occurred near what is known as "the hairpin turn" along about three o'clock yesterday afternoon. The party was returning from a tour of the island. Howe disclaimed having engaged in any bursts of speed at the time of the disaster to his car.

Mrs. Howe, while badly frightened, escaped with a few bruises. Every effort was made by the Howes to keep the accident from the press. While the car was lying in an overturned position some feet down the steep side of the cliff, the car number had been removed while even the lamps bearing a number were not to be found.

It is claimed that Howe was attempting to adjust the windshield when his car became unmanageable and was sent down the steep grade. The vehicle was badly smashed.

BUSINESS ITEMS

The monthly meeting of the merchants' association will be held tomorrow afternoon.

Saturday on the New York stock exchange was characterized by heavy selling and general declining of prices, with some improvement on short covering toward the close.

The Pacific Forester, in its latest issue, makes an appeal to the fraternity throughout the Union, to assist in the campaign for the protection of sugar. "This is not a political question with us," the magazine says; "it is a question of our very existence as a community."

Hawaiian stocks in San Francisco closed on Saturday as follows: Hawaiian Commercial, 27 bid, 28 1/2 asked; Hawaiian Sugar, 37 bid; Honokaa, 4.50 bid, 5.75 asked; Hutchinson, 16 asked; Kilauea, 12 asked; Onomea, 21.50 bid; Pauha, 13 bid; Union, 20 bid, 22 asked; Honolulu Plantation, sold 24.75 high.

The California Feed Company, Ltd., has removed to its new building at Alakea and Queen streets. For some time past the warehouses have been occupied, while the rest of the building was undergoing completion. It is a substantial building of concrete. Thomas J. King, president of the company, has reason to be proud of this latest evidence of the success of the business he founded.
